

Quick Reference

As a Member, your benefits package includes full access to GrantStation, a web-based set of resources to help you identify the most appropriate grantmakers for your organization.

Go to GrantStation.com to learn more about the resources and tools available to Members. Once you're on the website, enter your user name and password* in the Member Login area on the right-hand navigational bar.

Once you've logged into GrantStation, you can navigate from the left-hand bar which includes:

- **Search**
- **Write**
- **Learn**
- **Read**

*If you have misplaced your login information you can click on "Forgot your password?" for assistance.

Search

This section of the website helps you find grantmakers who might fund your programs and projects. You can search private grantmakers based in the U.S. and internationally. You can also search for upcoming federal grants and loans and identify state funding opportunities.

Write

Are you new to grant writing? Check out "Getting Started" in this section. Tutorials on how to write letters of inquiry and instructions on developing the elements of a full grant proposal are available.

Learn

Tools in this section include a grantseeking calendar, advice for tracking in-kind contributions, how to use the IRS 990 Form and questions to ask the grantmaker before applying.

Read

This section provides links to the most recent *GrantStation Insider* and the *GrantStation International Insider* along with a searchable archive of announcements.

Have a basic question?

Read through the **Help** page.

Want to take an automated tour of the website?

Check out the automated **Tour** of the website, and learn how to easily navigate and use GrantStation.

Free Webinar Once a Month

Once each month, GrantStation provides an Online Education session that will teach you how to use GrantStation most effectively.

Need the human touch?
